AUG 3

Hello Woody

I just phoned you but the machine doesn't get past Steina's message to the beep.

Panalpina's trucker delivered a crate today which looked like the right size & shape, <sup>for Cloud M.</sup> so I signed for it. They drove off. It took a few minutes to get it open. Then I discovered 4 laser disk players inside, not Cloud Music.

Called Chuck at Panalpina (ext. 211). He said to check whether the master airway bill on the shipping order matched the # on the crate. They do match — 220-4750-5710. The Panalpina # matches also — HB: 427325.

Chuck says it isn't his problem since the numbers match.

What next?

I come down here every day but evenings & mornings I am at 212-807-1396. There's a fax also at that no.

The crate meanwhile is sort of making access to the Beach St. stairway difficult. Please advise!

- David
