

AND/OR!

Dear Woody & Steina

Emswiler & I watched & enjoyed
"Digital Images". I am returning
the cassette as promised. See you
in June. The machinevision/descriptions
brochure is one of the slickest I've
ever seen! January 20 looks like
THE DAY. David (DiFrancesco) was
especially fascinated by bike photo
on p. 22 of MV/D. I'd like to
know details of "frame buffer" you
used for DI. Nice work.

Regards
Alvy Ray
