Dear Steina and Woody,

this is to let you know that your tape 'Objects' is part of a lecture and videopresentation by MonteVideo during the '5. Videofest '92' in Berlin on Februari 16. (the festival is from Februari 13 to 24).

The lecture, entitled 'The Abyss Of Speech' -every image hides a spirit that, once invoked, can strike tongues silent- is held by Maurice Nio, a videocritic and theorist.

Other artists whose work take part in the videopresentation are Shalom Gorewitz, Peter Bogers, Mans Wrangle, Marc Burkett, Nan Hoover, Ken Feingold, Peter Forgacs, Bill Viola, Simon Biggs and Rafael Montanez Ortiz.

The Videofest has just a very small budget available, DM 400, but we're trying to increase this fee, especially because so many artists are involved.

As soon as we have more information we'll let you know.

With kind regards,

Mirjam Coelho

Hope you are well
Happy New Year!
