Dear Woody, Steina,

As Tom mentioned, we're doing a festival of electronic music, video and film on April 30, and I'd like to invite you to send some tapes. We can't offer a rental fee this time, and it's my fault -- it didn't occur to me in setting up the festival because it isn't usually done in music. But this time we'd be grateful for your friendship and next time we'll be more professional.

Some good news, Woody. Our grant got through the first screening, and I'm now filling out the application, which is almost all financial and I think pretty automatic. I'll call you and read it to you before sending it on, so that there'll be time for corrections.

I thought the conference in Buffalo was terrific, and I was very glad to have been a part of it.

Best, as always,
