Dear Steina,

I want to confirm the arrangements I made with you over the phone on July 26. You are invited by The Rocky Mountain Film Center for two screenings of your video work, one on Monday, October 8 in Boulder, and one on Tuesday, October 9 in Denver. We will pay you an honoraria of \$400 for the two shows and provide you with a place to stay while you are here.

Please let me know when you expect to arrive in Boulder. Will you be driving out or flying? If you fly, I'll pick you up at the Denver airport.

In order to prepare our fall program, I will need immediately (you may have already sent it) titles, length, dates and descriptions of the video pieces you will show--two programs, each approximately eighty minutes long. I also need a picture of you and Woody that I can use for advertising and one of your social security numbers.

I look forward to seeing you this fall.

Sincerely,

*Don Yannacito*

Dear Steina and Woody,

I am very glad to have met you and so enjoyed seeing you with Meridel and Jerry in August. I have been a fan for some time! And thanks for the book and the other materials, as well as the information about other artists.

Since you will be here in December, Steina, you can look at the Galleries then, and perhaps we can think further about possibilities in the future. Woody, here is your tape. I did look at it twice and am glad I did. There is a lot to think about and it was a valuable experience for me, but, as you wish, I will leave you your "mistakes." Don and I talked about it quite a bit.

It was a nice surprise to see you in Denver quite by chance. I send you both my best greetings.

Sincerely,
