Dear Steina:

I am sending you a copy of
your individual segment from
the Women Video Tape Artists series.
The New York Public Library would like
to buy a copy so I am sending
2 copies of a release form. Please sign
one & return it - keep the other. Also
keep the tape if you like.

You are also included in an
overview tape. Both Shigeko &
Mary Feldstein at New York Public both
have one if you would like to see
if.

Thank you very much,

Mary Ellen
