Dear Woody:

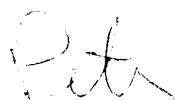

Video Culture Canada would like to thank you personally for your participation in our Festival during its inaugural year. It was clearly apparent that one of the most successful and exciting aspects of the Festival resulted from the contribution of and interaction with the participants.

We are pleased to invite you, along with all Festival participants to become honorary members of Video Culture Canada's new association. This association will exchange current information on video/new media, provide updates on VIDEO/CULTURE 1984, as well as other projects and productions emerging from our non-profit organization.

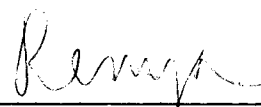

Enclosed is an application form to join. Please indicate if the above address is where you would like us to mail future information. For the time being, we are forwarding a copy of our final report on the Festival as well as some of the media coverage. An evaluation form is included for your critical assessment of the Festival, in order that we may make this year even more successful.

Thanks again for all your support. We look forward to hearing from you and working with you in the future.

Sincerely,

Peter Lynch
