Dear Mr. and Mrs. Vasulka:

This is a letter to follow-up a letter which was sent to you from M. I. T. on August 16 in which I set out the plans for a conference on art and the new technology which was, at that time, scheduled for the spring. Although we have advanced our dates until the fall, we would still be very interested in hearing from you and getting your ideas on how such a conference might be most effective. We would also greatly appreciate information on what The Kitchen is doing at the moment and on what you plan for the future.

Thank you for your attention and I look forward to hearing from you at your convenience.

Sincerely,

Karen Dolmatch

P. S. I was in New York at the beginning of September and spoke to Shrider Bapat about our conference, but I was unfortunately not able to follow my phone call up with a visit.
