Dear Woody,

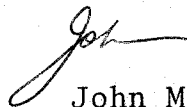

This is to confirm arrangements for your three-part series of presentations at Media Study/Buffalo entitled "An Examination of Media in Application on the Space, Performance and Myth of Operatic Forms." The dates for these events will be January 17, February 21 and April 11, 1979 (all Wednesdays) and each will begin at 8:00 P.M. in the sound studio at Media Study, 207 Delaware Avenue.

As we discussed, Media Study can offer you \$200.00 per presentation, a total of \$600.00 for the series. This fee will have to include all expenses, including honoraria for any performers assisting you.

I would appreciate, as soon as possible, a list of equipment and set-up needs for the three events. I realize that these presentations are exploratory for you, and that it might not be possible to project equipment needs for the two later dates immediately, but I will need at least two weeks advance notice to ensure the equipment is here and in full operation. I'll be speaking to you about this.

If there are any problems with these arrangements, or if you have any questions, please call.

Best,

John Minkowsky  
Video/Electronic Arts Curator
