NOTICE TO ALL VIDEOTAPE MAKERS:::~::~:

Teleprompter, the Cable TV network, is willing to broadcast your tapes. So as to avoid manifold red tape complications seen to be fast approaching, do not delay more than necessary. We want to impress them now with the fact that there are many people who have tapes that they would like to show on cable, before the regulations are increased.

So, if you are interested call either of these two people, and find out more:~::~:

HANK PERRSON OF Teleprompter
