Dear Steina:

Since talking with you about your collection of video posters, I have been trying to find out the best place in the library for them, and now I can tell you that Paul Myers, Curator of the Library's Theater Collection of the Research Library for the Performing Arts at Lincoln Center, 111 Amsterdam Avenut, New York, New York 10023, would be absolutely delighted to acquire them. He feels, as I do, that in the years to come this will constitute a valuable primary source material in video art.

He would like to know how many posters you have to give the library and what their approximate sizes are. Do you want to call or write to him directly? His telephone at the library is 799-2200 Extension 204. Or, let me know if I can be of any help.

With thanks and all best wishes,

Sincerely,

Assistant Coordinator
