

# The Kitchen Center for Video and Music

THE MEDIA BUREAU

## Application Form

The Media Bureau, formerly known as The Video Bureau, encourages the art of video in New York State through the payment of fees to media artists, technicians, lecturers, and consultants who perform services to the State's non-profit communities. Some funds are also available for modest expenses attached to production, e.g. tape purchase.

Community Organization The Vasulka Corporation

Address 257 Franklin St.

City Buffalo County Erie Zip 14202

Person In Charge of Project Woody Vasulka

Brief description of project [Funds can only be used for a service of immediate or eventual benefit to the public of New York State, e.g. events taking place in a classroom situation. closed to the general public are not eligible.]:

Funds are requested for travel (Bflo-NY-Bflo) and \$50 per diem for 4 days of interviews and collection of data pertaining to the development and creative use of innovative video tools. Individuals to be interviewed include William Gwin, Ben Tatti, Eric Siegel, Steve Rutt, George Brown, Sid Washer, Rudi Stern, Howard Wise and Aldo Tambellini. These interviews and information collection are essential research for a volume on the history and development of experimental video.
