Dear Woody:

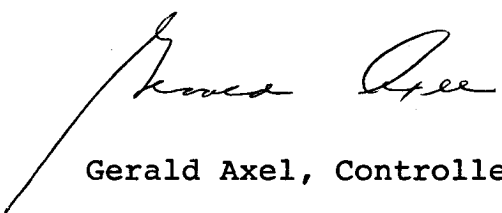

In the agreement you made with us dated 6/1/71 you agreed to pay the sum of \$200 a week as a licence fee. This was amended 9/22/71 when we agreed that in lieu of paying \$200 per week you would put in building improvements having a value of \$8,000 by December 31, 1971.

To date we have not had any accounting from you for the value of such work completed. In addition, because of faulty wiring done in your location we had to incur additional charges by our electrician to correct this situation.

These charges amount to \$976.00 and we expect you to reimburse us for these charges.

Very truly yours,

MERCER ARTS CENTER
