2 Pioneer video laser disk players

1 Synchronizer

Audio:

2 Stereo Audio Amplifiers (4 audio channels)

4 Speakers

4 Speakers stands

Pau,
prokousali jsme se s Dobrákem, seznamy a ná-
črtkem. máme otázky:

- 1) monitory budou patrně i nějaká kon-
strukce. Pokud ano - jaká má být.
- 2) Nebudou se zvuky z jednotlivých instalací
míšit (?) → slouchatka?
- 3) Speciální plátno - asi by bylo dobré od-
hadnout náklady. Podrobnosti staci v srpnu.
- 4) Rozměry a kila jsou pro všechno nebo jen
pro audio.
