Computing Commons Gallery, Arizona State University

Steina Vasulka, one of the pioneers of video art, brings a multichannel video installation to the Computing Commons Gallery at ASU. Vasulka has been working with video as an art form since the late 1960's and has exhibited at the Centre Pompidou in Paris, the San Francisco Museum of Modern Art, and the Denver Art Museum.

Sponsored by the *Institute for Studies in the Arts*, College of Fine Arts, Arizona State University.
