## Albright-Knox Art Gallery

SECOND GALLERY LEVEL

Welcome to the Albright-Knox Art Gallery. It is hoped that your visit here will be both enjoyable and informative. The floor plans identify frequently visited areas of the Gallery. Individual galleries in most cases are denoted by their numbers. Special events, including lectures, concerts and films which you might want to attend, are listed on the bulletin board in the sales area. Should you have any questions, please consult one of the uniformed guards or the staff member at the sales desk.
