Dear Gerald O'Grady,

enclosed is photo of me. The ones I took of my
tapes came out badly. Joyce Mercant said
she'd send you whatever she has.

I hope you got my statement from Strine.

as for statements about the tapes - I
think I've talked + written myself out
about them + I have nothing here to send - so:

They're about the inability of a camera
to capture a sense of being in a place -
about the fact that each of us 'sees'
a place differently - about the line
between what is known + what is
seen - about the difference between
deep space + "monitor" space. (etc, etc.)

Hope that's useful.

I'm looking forward to hearing how about
the show(s). Good luck on getting them
together.

Sincerely,

Thomas Zee

Dear Steina —

— Lost Gerald O'Grady's address. Would you mind delivering enclosed paper to him? (Probably will take less time than going through University)

Castelli Gallery ought to send Bio and some photos, but I'll try to get some of the latter to you.

— Thanks for your help.

Best
