Subject: Gary Hill catalogue raisonne project

Dear Woody and Steina Vasulka,

At the request of the Kunstmuseum Wolfsburg, I am checking items on Gary Hill's exhibition catalogue and bibliography in preparation for the upcoming catalogue raisonne.

I have come across a reference to a performance forum that you organized (in 1991, I believe) entitled "Electronic Art and Technological Culture: A Performance Forum on Issues of Art, Communication and Technology." I would be grateful if you could provide me with the exact date(s) of the forum.

Best regards,

Andrea Moody
