Steina and Woody Vasulka: Machine Media presents a retrospective of two of the most influential figures in the development of video art. In an era when advances in electronic communications technology are having a global impact socially and culturally, this exhibition explores the role of the machine in the creative process, both summarizing the evolution of electronic art and anticipating new directions.

This invitation admits members of the San Francisco Museum of Modern Art and one guest.

Please present this invitation or your current membership card at the door.

Video art pioneers Steina and Woody Vasulka will discuss their work and current exhibition at SFMOMA.

No tickets will be mailed. You do not need to R.S.V.P.

For information please call the Membership Office at 415/357-4135.
