

DIFFERENT LETTER FOR SMALLER FOUNDATIONS:

WE ARE A COLLECTION OF INDIVIDUALS CARRYING OUT A NUMBER OF ACTIVITIES IN "THE KITCHEN" PART OF THE MERCER ARTS CENTER. OUR SPACE OF 100 feet by 40 ft. IS LICENSED TO HAVE A CROWD OF 199 199 people. SO FAR EVERY WEEK WE HAVE BEEN HAVING FREE CONCERTS OF ELECTRONIC MUSIC WITH SILENT

VIDEO ACCOMPANIMENT; mondays at 8pm.

And on wednesdays we have been having our regular weekky video exchange night in which anyone who brings a tape may have it shown, free of charge.

And on Thursdays we show our own tapes of eletronical generated video images.

Perhaps you would be interested in the possible sponsoring of a single individual project, or artsist. Althoufh the entire operations will necessitate a very large budget-(approx. \$40,000)

a smaller sum could well be put to either a nec essary component of the entire group as a sound system of amplifier and speakers, and tape recorder, all for approx. \$2,000, or else the possibilty of funding a single artists in a special project working through our workshop, such as Mr. Benedict Tatti, an abstract video artist, an art teacher in Art and Design High School for mor than 30 years, also a sculptor

Or we are ~~xxxxxxxx~~ beginning a series of experimen of interfacing video and ^{gamma} wave readings from t the brain, with a Dr. from NY College of Medicine working in the field of brain waves, and ~~I. D. D.~~, am making a series of tapes of interviews with neurophysiologists Robert Bender, and more with inventors of electronic hardware, musicians, cyberneticists, bionics worke mathematicians, logicians and wizards
