

April 26, 72

Dear Dimitri,

Just a note to accompany the enclosed program material for Verte - As you see I changed the name from the original program I sent you -

The posters I include in case they might serve for publicity on the bulletin boards there at the Kitchen - Still haven't heard when it will be, but am looking forward to it whenever it will be -

Best to you & also to Rhys -

Sincerely  
Dick Tomhall
