

the
Kitchen
center for video and music

August 5, 1976

Dear Steina and Woody Vasulka:

I am presently organizing the catalogue, The Kitchen 1975-76, that will provide a complete listing of all artists and their works presented at The Kitchen this season.

Enclosed is a xerox of the information I have at this time. The general outline of information I am seeking is:

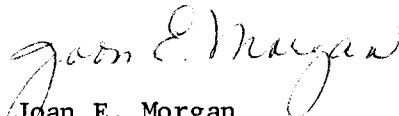

- the presenting artist(s) name(s)
- birthdate(s) and place(s)
- title of program
- date(s) of presentation
- medium of work presented (include length for videotape)
- names of all performing artists
- titles of all works presented
- description of works
- where tapes produced (if applicable)
- list of reviews
- list of supporters

If there are corrections or completions which you would like to have me make, please write them on the xerox and return it to me. I can be reached through The Kitchen at (212) 925-3615 or at (212) 925-9094 if you have any questions.

We would like the information ready to be typeset by August 23rd. If I have not heard from you by this time, I will assume that the information I have is correct.

We will be forwarding a copy of the catalogue to you when it is completed.

With best regards,

Joan E. Morgan
Administrative Assistant
